A screenshot of the Bandicam software interface. The window title is "BANDICAM UNREGISTERED". The top bar shows a timer at "00:00:00" and "0 bytes / 58.1GB". A "REC" button is circled in red. Below the top bar, a menu says "Please select a recording mode". The main area displays six recording modes: "Rectangle area", "Fullscreen", "Around mouse", "Game recording", "Device recording", and "Online help". A "BANDICUT" button is at the bottom left. To the right of the screenshot is a large, circular red recording button with a white border.
